

Graduate Civil/ Natural Resources Engineer - Hokitika

Get the opportunity to transfer your theoretical knowledge into practice alongside an experienced Civil Engineer!

About the company

Eliot Sinclair & Partners Ltd are a leading surveying, engineering and planning consultancy based in Christchurch with smaller offices in Hokitika and Rangiora. The company was established in 1932 and has grown to become a trusted consultant providing a diverse range of services to both private and public sector clients.

Our staff are known for their expertise, depth of knowledge, and use of innovative technology. We are constantly collaborating together, creating a vibrant, dynamic work environment where there are always opportunities to learn. We support our staff with on-the-job training and mentoring.

About the role

We are looking for a Graduate Civil Engineer at the beginning of their career who are interested in getting involved in solving a wide range of civil engineering problems. They will work alongside a Chartered Civil Engineer in our small team in Hokitika. Training will be initially provided in Christchurch. While the role is based on the West Coast, the graduate engineer will work in close association with the Christchurch office.

About you

You will be a recent civil engineering/ natural resources graduate with passion for succeeding in engineering. You will:

- Have a recognized & relevant engineering degree
- Be a good communicator and able to work effectively with others
- Have practical approach to solving problems and have analytical skills
- Be highly motivated, detail focused and able to work on their own
- Have an active lifestyle and be enthusiastic about what you do.

We will look after you by providing an attractive salary package, a range of employee benefits such as health insurance, and a fantastic work environment.

Culture

At Eliot Sinclair we strive for success, take pride in our achievements and are passionate about what we do and the industry we work in.

We are a team of around 90 staff who come from a range of different cultures. We enjoy a dynamic, harmonious, family-friendly work environment.
